WHY DO YOU NEED IT?

Now you can spend your accumulated bonuses using an e-card in **BEAT Group** restaurant chain.

HOW TO GET A CARD?

Go to wallet.beat.az from your smartphone or scan the QR code below.

If you are an Apple user - select the Apple Wallet icon, and if you are using Android - click on Google Play.

After adding the card feel free to choose the icon ... in the lower right corner. Go through the quick registration and fill the form.

Receive sms with a confirmation code and enter it in the appropriate field. Please write your own phone number.

After successful registration e-card will appear in your wallet automatically. Visit any restaurant of **BEAT Group** chain and place the order.

Paying the bill do not forget to show your e-card, which is stored in your smartphone and collect **up to 15%** from your bill. Accumulate and pay the bill (or the part of the bill) with the bonuses next time.

You can track your balance in the Wallet personal account
